We have some print copies available in the History case across from the Grant Avenue glass doors and have also republished this book as an eBook on Amazon for the celebrations that began last Sunday.

►Those who are able may stand

The moments before worship are a transition from “getting here” to “being here.” Take the opportunity to listen to the prelude and quiet one’s mind and become open to the spirit.

►WELCOME AND CALL TO WORSHIP

bold in unison

Your love is as high as the heavens, O God;
Your faithfulness soars through the skies.
**Your righteousness reaches the towering peaks;
Your justice the depths of the sea.**
We shelter beneath your wings;
We feast on the food you provide.
**We open our eyes to drink in your goodness;
For you are the source of all life,
And because of your light we see light.**

CANDLELIGHTING

In this time of prayer and quiet meditation
you are invited to come forward to light a prayer candle

OPENING PRAYER

bold in unison

God in the midst, come close to us,
And help us come close to you,
As, for a fraction of time,
We step back from the activities of the day.
May we treasure such moments with you.

**Moments when we can bring to you
The things we are doing,
And find new meaning for them,
And new strength for doing them.
And moments for recalling
How we are meeting you already,
In the stuff of daily living and engagement,
When faith is tested
And compassion is translated into action.
So, if, as the day goes on, we forget you,
Do not forget us, O God.
Amen**
