Construction News: For the next several weeks, Verizon is upgrading the fiber optic cabling under Grant Ave. This will involve restriction of vehicle and foot traffic. May 20-June 7, 5am-5pm, Griffin Street (west side of the church) will be closed for delivery of construction materials. The closure will be from Mckenzie Street to Catron Street. The entrance to our underground garage should be accessible. Pedestrians crossing Griffin Street in this area will need to exercise caution. For more information, see the weekly eNews.

Starting June 10 repairs continue for the Church's brick patio.

For the next several months, Monday through Friday, if you are not limited in mobility and are coming to the Church during working hours, please consider using the Convention Center Garage. Stickers are available at the Lobby Desk to have all parking costs charged to the Church. Your doing so will allow church members with mobility restrictions better able to find a parking space in the Church Garage.

Please be cautious driving and walking to and from the Church on adjacent streets.

If you have any questions, please feel free to contact me or a Church staff member. Thank you. Bill Adrian, Facilities Manager, 505-501-3453 cell, facilities@fpcsantafe.org

We will gather today for Third Sunday Lunch at Sonder Café on Guadalupe St. after the late service. We order from the menu and have separate checks. If temps are warm we can use the charming patio. Everyone welcome.
