

FPCDC Sun Screen Permission Form

According to State Licensing Regulations, we must have a parent signature giving us permission to apply sunscreen.

For this reason, we ask that you apply sunscreen to your child before coming to preschool each day. However, there may be occasions when we feel we should reapply sunscreen (for example, a very hot day or a day the kids get wet).

Therefore, please provide us with a bottle/tube of sunscreen, labeled with your child's name. We will keep it here at our center in a secure place until the end of the school year.

Please sign the permission slip below:

In the event that the First Presbyterian Preschool staff feel it necessary to apply sunscreen to my child, _____, I give my permission to use the sunscreen which I have provided, labeled with my child's name.

Parent/Guardian Signature: _____

Date: ___/___/___
