House:

Hello, my name is [insert your name] and I am a constituent from [insert city, state, zipcode]. I am calling to ask [Representative's name] to support H.R. 7521, the United States-Cuba Trade Act of 2026, and H.J.Res. 153 to prevent unauthorized military action on Cuba.

For more than six decades, the U.S. embargo of Cuba has driven a humanitarian crisis, with essential systems being pushed toward collapse. Furthermore, President Trump continues to threaten military action on Cuba and strengthen sanctions. As a person of faith, my concern for Cuba is based in my commitment to peace, compassion, and the protection of human life, heeding the concerns of the most vulnerable in Cuba.

Again, I ask that the Representative support H.R. 7521 which would begin to lift the embargo and H.J.Res. 153 to prevent unauthorized military action on Cuba. Thank you for your time and for considering my request.
